

# STORYBOARD: HANDYMAN

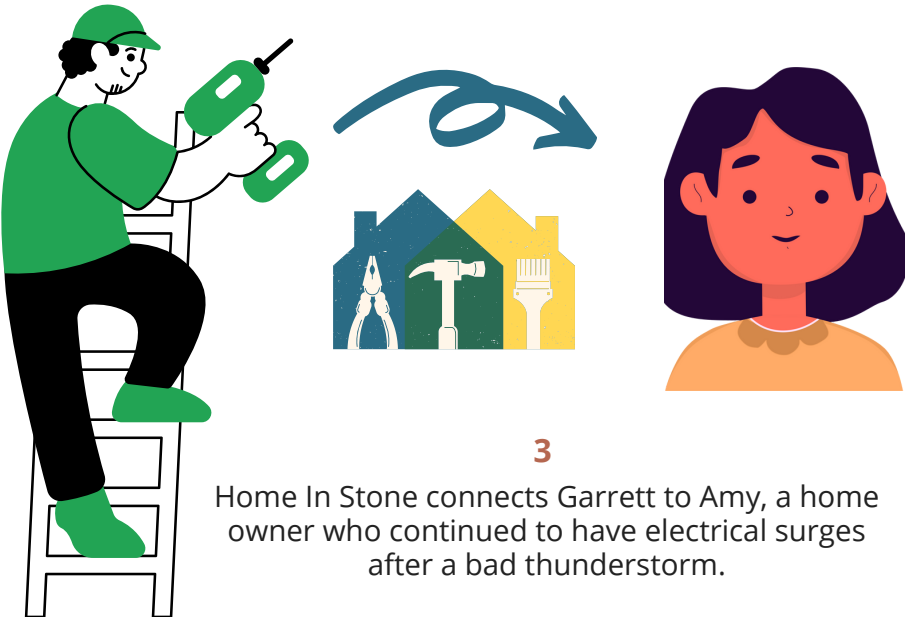

1

Garrett J. is a handyman who was just laid off, so he decides to open his own company, Johansson Electrical Services.

2

Garrett visits Home In Stone's website and lists his services and certifications.

3

Home In Stone connects Garrett to Amy, a home owner who continued to have electrical surges after a bad thunderstorm.

4

Garrett fixes Amy's electrical issue, receives payment, and both parties are happy campers.

# STORYBOARD: HOMEOWNER

Lillian just purchased an investment property and wants to renovate the kitchen

Lillian visits Home In Stone's website in order to find a licensed and reliable contractor.

Home In Stone connects Lillian to a contractor in her area that provides her with a free estimate.

Lillian gets her kitchen remodeled and is able to flip her property in 90 days.
