

### EZ Lert's Ratings

9.5 < Rating or 95% and Above Complete

9.4 > Rating or 94% and Below Not Complete

Just like the second survey, our key concepts are below. I measured my success with these core concepts completed or not. Following this core concept evaluation, a rating for my main client Jean Paul will be shown. His ratings were based on three categories.

### Core Concepts

95% of our clients must be able to Log in/Sign up. (21/21) Status: COMPLETE

95% of our clients must be able to add upcoming appointments. (21/21) Status: COMPLETE
