

Have you voted?

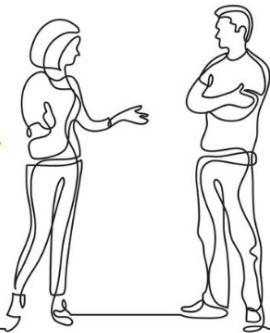

Not yet...

Why not?

My Shift. I work from 7am-7pm... during poll hours.

Don't worry. There's a solution to that problem

Really? How so?

A mobile voting app called. It's called "Your Voice."

How does it work?

You sign up and verify your identity with your DL or ID.

...and then login to vote.

Where can I use it?

On any cell phone, tablet, or, computer.

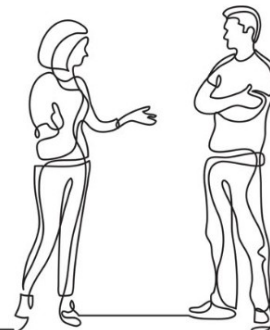

That's wonderful! I can do this on my lunch break. Can I vote early?

You can vote early or on election day.

Just login during designated voting times?

That's right!

Voting problem solved! Thank you!
